DEFICIENCIES

Condition 4: Social Equity

The program is to be commended for including its Strategic Action Diversity Plan; although included the program is advised to continue reporting on its efforts to address this condition.

Condition 8: Physical Resources

The program is advised to continue reporting on its efforts to address this condition – in particular physical accessibility.

Condition 10: Financial Resources

The program is to be commended for its efforts addressing this condition; the program is advised to continue reporting on its efforts to address this condition and how they are impacting the condition.

Criterion 13.9: Non-Western Traditions

The program is advised to continue reporting on its efforts to address this condition – in particular the results of discussions with the Department of Art History. As appropriate, please include course syllabi and assignments from courses that have incorporated examples from non-Western traditions.

Criterion 13.13: Human Diversity

The program is advised to continue reporting on its efforts to address this condition. As appropriate, please include course syllabi and assignments from courses.

Criterion 13.22: Building Systems Integration

The program is advised to continue reporting on its efforts to address this condition. As appropriate, please include course syllabi and assignments from courses.

Criterion 13.26: Construction Cost Control

The program is advised to continue reporting on its efforts to address this condition. As appropriate, please include course syllabi and assignments from courses.

CAUSES OF CONCERN

Portland and Eugene: Relationship between two campuses

The program is advised to continue reporting on its efforts to address this cause of concern.

† Although an area may be marked "satisfied, no further reporting required," the next visiting team may include in its report its own assessment of the program's response to the deficiency.

Financial Resources

See comments in Condition 8: Financial Resources above.

Standards and assessment of student work

The program is advised to continue reporting on its efforts to address this cause of concern – in particular, provide the revised student evaluation criteria and draft for design performance criteria.

Inertia slows faculty advancement, response to student feedback, recurring accreditation deficiencies and diversity

The program is advised to continue reporting on its efforts to address this cause of concern.

Faculty recruitment and retention

The program is advised to continue reporting on its efforts to address this cause of concern; in particular, what additional efforts are being implemented for faculty recruitment and retention?

Curriculum oversight

The program is advised to continue reporting on its efforts to address this cause of concern. As appropriate, please include course syllabi and assignments from the two new professional practice courses.

CHANGES TO THE ACCREDITED PROGRAM

No changes to the accredited program reported.

†

Although an area may be marked “satisfied, no further reporting required,” the next visiting team may include in its report its own assessment of the program’s response to the deficiency.
