Greetings,

After reviewing the 5-year Interim Progress Report (IPR) submitted by University of Oregon Department of Architecture, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies, but finds that sufficient evidence was not provided for SPC A.9 Historical Traditions and Global Culture.

Evidence of progress toward addressing this deficiency must be presented at the time of the next visit.

Please note that Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
